

Saturday, August 18, 2007

8:00am - 5:00 pm

Angelic Alpacas - 3396 New London Rd. Forest Virginia

Join us for one or both seminars (1/2 or full day)

Breakfast snack & lunch included

Hands on Alpaca Basics - 9:00am - 12 noon

This portion of the seminar is designed for new or potential alpaca owners. Barbara and JoAnn will demonstrate the basic skills of alpaca care and handling. This hands on environment will give you the opportunity to practice these much needed skills.

- ∞ Handling
- ∞ Halter Fit
- ∞ Worming Schedule
- ∞ Toenails
- ∞ Teeth - Fighting Teeth
- ∞ Vaccinations
- ∞ Fecals

1/2 Day \$40

Full Day \$60

Help! My Alpacas is down! - (Now what do I do??) - 1:00 - 5pm

Dr. Joy Watkins of Bedford Animal Hospital will be joining us to teach this portion of the seminar.

- ∞ Do you know what equipment & medicine to have on hand?
- ∞ Do you know what information to provide when calling your vet?

Send your questions in advance with registration. Dr. Watkins would like to answer them in detail!

- ∞ Medicine Cabinet
- ∞ Vital information for vet
- ∞ Symptoms
- ∞ Emergency First Aid
- ∞ Heat Stress
- ∞ Basic Cria Assessment

This portion of the seminar covers what vital supplies to have on hand as well as how to effectively communicate and assess symptoms when calling your vet. Emergency Medical care and basic assessment of crias is also covered.
